You know, you are actually sick.

No, you're affected by that guy's poison.

That's right, things given birth by ghosts will also be ghosts.

You're just confused by his real

The person who stole away your father is his mother, and not Ah Kun.

Ah Kun is the same as you, a victim of the whole situation.

I know you're not really a bad person.

I still remember when Ah Kun was living at Uncle and Auntie's up until high school.

I would often see a small boy secretly following him from behind.

And every time I'd send him home I would see her feeding the stray cats from downstairs.

I just recalled that

The girl from that time was you.

It's only because of your mother.

That you have no choice but to hate him.

Why are you this stupid just look at that bro's face? Why are you like this and not in your dad's favour. Just look at that bro's face.

It's all because of him since he never did my mother has been constantly complaining.

I DON'T LIKE HIM!

THE GIRL FROM THAT TIME WAS YOU.

In reality, you like Ah Kun in your heart.

I just recalled that

The girl from that time was you.

It's only because of your mother.
